February 10, 2022

Dear Friends,

Due to the Covid pandemic, again this year, we will not be able to host our annual fundraising dinner dance. It would have been an opportunity to generate funds to support the education of our needy children in Haiti.

To continue with our yearly projects, we would like to announce our Sponsorship Program for the purpose of assisting some students throughout their elementary studies. Our schools are in the remote areas of Haiti. They request only a small annual fee yet many parents cannot afford. It has become very difficult to pay the teachers their monthly salaries.

Based on inputs from our schools, we need approximately \$100 to \$150 to cover a student's educational needs for a year. We are asking for your yearly sponsorship. For the school year of 2021/2022, our goal is to get fifty to seventy sponsors. Our objective for next academic school year is to welcome one hundred sponsors or more.

We invite you to visit our user-friendly website featuring submenus with students' pictures as well as their profile. We have made it possible for you to participate more actively in the student's life. You can send a birthday or presents for Christmas, Easter, Communion, etc.

Each school participating in this program has identified students whose parents cannot pay their annual contribution. As you become sponsors, we will send you a copy of the consent form signed by the child's parent.

We are excited to have you become a sponsor either by making the request on our website or by contacting one of CERLAM's members. A donor has the option to sponsor more than one child or to give as much as they want. You have the choice to give your contribution fully or partially. Donation can be sent via Cash App, PayPal, Zelle, by check or money order payable to CERLAM with a mention in the memo section. Check should be mailed to the following address:
