June 5, 2022

Dear Friends,

Due to the Covid pandemic, again this year, we will not be able to host our annual fundraising dinner dance. It would have been an opportunity to generate funds to support the education of our needy children in Haiti.

To continue with our yearly projects, we would like to announce our Sponsorship Program for the purpose of assisting some students throughout their elementary studies. Our schools are in the remote areas of Haiti. They request only a small annual fee, yet many parents cannot afford. It has become very difficult to pay the teachers their monthly salaries.

Based on inputs from our schools, we need approximately a minimum of \$130 to cover a student's educational needs for a year. This year, there are two schools that are enrolled in this program, Ecole Presbyterale de Riviere Blanche in Carnifice, Gros-Mornes and Ecole Sainte Anne in Robuste, Petite Riviere de L'Artibonite. We are asking for your yearly sponsorship. For the academic school year 2022/2023, our objective is to welcome one hundred to hundred fifty sponsors.

We invite you to visit our user-friendly website, www.cerlam.org, featuring submenus with our students' profile. We have made it possible for you to participate more actively in the student's life by sending a gift for his/her birthday, for Christmas, Easter and Communion, etc.

Each school participating in this program has identified students whose parents cannot pay their annual contribution. As you make the commitment to support a student, we will send you his or her picture and a copy of the consent form signed by the child's parent.

We are excited to have you become a sponsor either by making the request on our website or by contacting one of CERLAM's members. A donor has the option to sponsor more than one child or to give as much as they want. You have the choice to give your contribution fully or partially. Donation can be sent via Cash App, PayPal, by check or money order payable to CERLAM with a mention in the memo section. Check should be mailed to the following address:

CERLAM
522 Sheridan Avenue
